Andrew C. Dzykewicz
Commissioner, Office of Energy Resources

The Results...

The goal...

Provide enough wind generation to supply 15% of Rhode Island's native demand from wind powered generation in Rhode Island, for Rhode Island consumers

April 20, 2007

Andrew C. Dzykewicz
Commissioner, Office of Energy Resources

The Results...

The good news...

RI has more than five times the RIWINDS goal for wind power capability

RI can be selective in final site location
